

INSPIRATION

Spatial Data Infrastructure in the Western Balkans

Vesna Poslončec-Petrić, Ivica Skender

The multi-country INSPIRATION - Spatial Data Infrastructure in the Western Balkans project was financed by the European Union. The project aims at promoting spatial data infrastructure (SDI) and coordinating its implementation in the Western Balkans with a view to preparing beneficiaries to meet the objectives of the EU INSPIRE Directive. INSPIRATION will contribute to a favourable environment for accurate, up-to-date, high-quality, well structured and accessible spatial data in local, regional and state administrative bodies in the region.

The project's implementation period is from 1 Jan, 2012 to 31 Dec, 2013. The beneficiary countries are Albania, Bosnia and Herzegovina, Croatia, the former Yugoslav Republic of Macedonia, Montenegro, Serbia, and Kosovo*.
